

Dear Partner,

The 55<sup>th</sup> Annual Arkansas Early Childhood Association conference is fast approaching! We are inviting you to join us in celebrating early childhood professionals through our theme "You Rock! The Lives of Arkansas' Children." From October 13-15, 2016, we expect to welcome more than 900 early childhood professionals from across the state into Downtown Little Rock to learn from the expert presenters, network, and seek out the newest products and services in the field of early childhood education.

Each year we offer great marketing opportunities for businesses and organizations to make your presence a notable one, regardless of the size or budget. This year is no exception. We are offering Exhibitor Booth space and Tabletop Packages to showcase your products and services, as well the opportunity to select from five levels of support and to choose from a menu of items to make your business more visible throughout the conference. Hurry so you can choose your booth location!
