

Childhood Services

presents

**The Un-Conference:  
A Virtual Learning Experience**  
January 25 - February 7, 2021

A-State Childhood Services is **not** offering a conference this year and you are **not** invited! We **are** hosting an Un-Conference virtual learning experience that includes a collection of recorded interest sessions. You **are** invited to participate at any time and in any place that is convenient for you! The Un-Conference learning experiences will be available from January 25 through February 7.

These Un-Conference experiences are designed to be:

- **Relevant:** Focused on topics that will support you in your work right now.
- **Concise:** Each package of learning experiences consists of three brief video presentations (about 20 minutes each). To receive PDR credit, you will complete and submit an electronic reflection form for each presentation viewed.
- **Linked to resources:** Registered participants will have access to handouts and resources for each presentation.

**Registration is now open!**

Register online for the FREE Un-Conference learning experience. <https://conta.cc/2L3fuF2>

Information on how to access the Un-Conference will be emailed to you on January 21.

**Questions?** Contact the Un-Conference coordinator Libby James, [ljames@astate.edu](mailto:ljames@astate.edu) 870-972-3055, or 1-888-429-1585.
