Five reasons to become an Arkansas Early Childhood Association Member today!

Support

We help AECA members in their work with children and families as one team, providing support and recognition for the work involved in early childhood across the state of Arkansas, by building community to celebrate our successes and supporting each other when times are tough.

Standards

We work to improve the standards of care and quality of life for young children. We hold our members up as a professional community committed to high quality care and education of young children, shining a light on the work we do as highly essential to all communities.

Understanding

We further the development of knowledge and understanding of young children and the dissemination of such information. We provide our members with professional development opportunities that help them improve the lives of children and become confident advocates.

Contribution

We encourage the provision of education, developmental resources, and services for young children. By sharing the latest cutting edge information and quality research, our members are able to contribute to high quality care and education that children deserve every day.

Connections

We have community based affiliate groups across Arkansas where members can receive professional development, network and enjoy touring the settings of providers. We also has an annual conference where members get exclusive discounts. As an affiliate of the Southern Early Childhood Association, you are automatically a member of SECA and receive access to Dimensions of Early Childhood, the refereed journal that includes current articles on best practices in childcare and early childhood education policy.

Being a member of AECA means belonging to a group of like-minded professionals with a common goal to make life better for children.
